Ameresco Canada expands services into Québec City

Montréal, QC. June 16th, 2011. Ameresco Canada is pleased to announce the expansion of its energy management services within Québec as the organization began operations in Québec City on June 1st 2011.

The expansion into Québec City is based on Ameresco Canada's commitment to the province and growth within the province of Québec. The Québec City office will assist the organization expand its geographic reach as well as enhance brand awareness within the province.

“Québec presents Ameresco Canada with exciting opportunities for growth and development. Québec City allows us to not only increase our presence and visibility within the province but also reinforces our commitment to Québec, our operations within the province and its continual development. We are excited to enter the next phase of operations,” said Mario Lusi, President of Ameresco Canada.

Ameresco Canada is also pleased to announce that Marcus Tabachnick recently joined the Ameresco Canada team in Montréal as Senior Business Developer. With 25 years of experience in the education sector, Mr. Tabachnick joins Ameresco Canada after recently serving as Chairman of Lester B. Pearson School Board, the largest English school board in the province. Mr. Tabachnick's business focus will be on the educational sector within Québec.

“Marcus is a valuable and welcomed addition to Ameresco Canada and the Québec team. His knowledge, resourcefulness and experience will prove to be beneficial and invaluable to the growth of our operations in Québec and the Canadian education sector,” said Mr. Lusi.

The Québec City office is located at Complexe Jules-Dallaire, 2828 boulevard Laurier, Tour I, bureau 1325.
